

IMMANUEL LUTHERAN SCHOOL

Monday's Notes

Grades 7/8

Fruit of the Spirit!

August 30, 2010

Dear Parents:

I am so happy to say I know we had a successful start to our new school year! This week we will most definitely be attacking our daily schedule with great vigor. I will start sending out the newsletter to families who requested this document by way of e-mail. I am planning on sending it to all families who have e-mail the first week.

- We will have some quizzes this week in: Algebra, Pre-algebra, Literature and Vocabulary.
- We will not have school on September 6, for Labor Day.
- September 10, we will take the day and study the events surrounding 9/11/01 and the fallout.
- September 17, we will be studying the U. S. Constitution as will students all over the United States!
- Eighth graders will be receiving a notice about a voluntary visitation to Baden High School.
- Remember to turn in hot lunch orders by Wednesday of the week before.
- All students will be receiving a letter about Band class this year. Every one will participate in band this year!

Do not forget you may contact me three different ways if you have any questions or comments. My home telephone number is 513-271-8711; call school anytime and leave a message; e-mail me at SEJWMS@aol.com. I encourage all parents to keep in contact.

In HIS Service,

James Williams
