Week of August 30, 2010

Dear families,

We made it through our first week of school. We spent a lot of time learning rules, names, and procedures. I am truly excited to have the opportunity to watch each of your children grow and learn this year. We will begin our king/queen of the day. This gives each child a day to tell us about themselves. We will draw them a picture and try to write their name. Then I will make it into a book, and each child will have their own book with their classmates names and pictures.

I would like for you to send in a photo of your family or any other pictures that your child would like to share. The picture does not have to be fancy, but one of your families. We will hang your child's picture up in the classroom, and I will return it at the end of the year. This helps the children sometimes if they feel sad and miss you. I like to think of our classroom as a family also. We talk about being in God's family, and that we are brothers and sisters in Christ.

Don't forget to check the green folder daily. This will have any papers, newsletters, and a calendar which will also help us keep in contact. If there is a note or lunch money please return it in the folder. I hope this is a useful tool to help keep us in contact.

I apologize for the confusion on Friday. The 7th and 8th graders sell ice cream on Friday for \$.50 to raise money for their trip to Washington, D.C. I would suggest putting it in their lunchbox if they pack.

If you have any questions concerns or need anything please call me at school 895-9212 ext.233 or E- mail me at amy.combs@hotmail.com. Have a great week!

Blessings,
Mrs. Combs
